

Tri lodge Newsletter

February 2024

Greetings from the Board, Management and Staff of the County of Stettler Housing Authority.

February is here and Valentines is right around the corner!! Calendars will be full so make sure you keep that in mind!

Some residents are receiving letters in the mail from the Government for subsidized Dental Care. If you receive this letter, be sure to show the letter to your family so they can assist you with applying for this benefit.

Handi Bus will no longer be doing scheduled afternoon pick ups for each lodge. You will need to call 403-742-5858 and book appointments if you wish to have that service in the afternoons. They will continue to do the morning pickups at each lodge.

When heading out of the Lodge at meal times or overnight please let Staff know so that we do not call your families. We like to know that you are safe!

Its still winter out there!

Please be cautious, and wear proper footwear and warm clothing as it is icy and cold even

on those sunny days!

We want to Thank you for your patience with all of the renovations at the lodges! Contractors, management and staff are all looking forward to completion of these projects.

To the Residents and families that brought in treats for the Staff throughout the Holiday Season. Your kindness does not go unnoticed! We enjoy every morsel. ☺
