

Tri lodge Newsletter

September 2026

Greetings from the Board, Management and Staff of the County of Stettler Housing Authority.

September is here, bringing cooler mornings, changing leaves, and the start of a cozy new season. As summer slowly comes to an end, we look forward to enjoying the beauty of fall, getting back into familiar routines, and sharing many friendly moments together.

We hope this month brings comfort, good health, laughter, and plenty of opportunities to connect with neighbours and friends. Wishing all our residents and families a wonderful September!

Air Conditioning Notice

If you have brought an air conditioner into the lodge, please ensure the office has been informed. The annual A/C fee of **\$60.00** is due by the end of September. If payment has not yet been made, please do so as soon as possible. Also, please let Maintenance know when you would like your unit stored for the season. Thank you for your cooperation!

Parking Reminder for Friends & Family

If you have a designated parking stall, please ensure that your guests, whether friends or family do not park in any other designated parking

**RESERVED
PARKING**

spots. Using someone else's stall can cause confusion or inconvenience for others. Let's all be respectful of each other's spaces.

Thanks for your cooperation!

As of November 1, 2026, our Lodge

Cable Service Reminder

will no longer be offering Shaw Cable as a provided service.

Residents and families will be responsible for arranging their own personal cable or TV service directly with the provider of their choice.

Once you have set up your new service, please ensure you notify the Lodge Administration Office so we can update your billing and make sure everything is recorded correctly.

Thank you for your cooperation and for helping us keep our records accurate.

Residents are reminded that guest meal tickets must be purchased at the Admin Office in advance. Dinner tickets are available for \$15.00 each, or in a book of five for \$60.00. To assist with meal planning and seating arrangements, please provide staff with a minimum of 2 hours' notice prior to the meal when guests will be attending.

We would like to extend a warm welcome to all our new residents and their families! We are so pleased to have you as part of our lodge community. Please don't hesitate to stop any of our staff if you have questions or need assistance. We are all here to help make this transition as smooth and comfortable as possible for everyone.

JUST A LITTLE *Reminder*

If you plan to have overnight visitors, leave the lodge during mealtimes, or be away overnight, please inform the staff in advance. This helps us ensure everyone's safety in case of emergencies.

Thank you for your cooperation!

Will be here October 19th for
Referendum voting

Decluttering

If you have items, you're no longer using, consider donating them to our local thrift shop. Decluttering not only keeps your space safer by reducing tripping hazards, but it also makes it easier for our housekeeping team to clean thoroughly. Your unused items can make a meaningful difference for someone else in the community.
