August 2026

Greetings from the Board, Management and Staff of the County of Stettler Housing Authority.

Hello August The days are long, the evenings are warm, and summer is at its peak. August invites us to savour the gentle pace of the season—quiet mornings, bright afternoons, and peaceful nights. As we move through the month, we look forward to sharing more moments, more laughter, and more community with each of you.

Tornado Alert

In the unlikely event that we ever have a tornado

warning (the town would sound an alarm). Please go into your bathroom.

We feel this would be the safest place to wait out a big wind.

The weather is warming up and it is important to stay hydrated and cool. Don't forget to drink plenty of water!

Flashlights are to be kept charged in the event of an emergency. Check the batteries to ensure they are working. Keep your flashlight near your bed or on your walker.

HEALTH CARD **SCAM** **WARNING**

Albertans are getting fake texts and emails claiming their health card is “obsolete” and must be replaced. These messages include links and ask for personal information. **This is a scam.** Alberta Health will never contact you by text or email to update your card.

Delete the message and do not click any links.

If you take any dishes that belong to the kitchen to your room, please remember to return them when you are finished.
Thank you.

**Expired or unused medication?
Bring it to your pharmacy for safe disposal.
It's quick, it's easy, and it helps keep your home safe.**

Summer in Bloom at Tri Lodge

Our outdoor spaces are looking beautiful this month. The flowers are in full bloom, the grass is lush and green, and the yard is a wonderful place to enjoy the warm weather. Take a moment to sit outside, enjoy the colours, breathe in the fresh air, or share a visit with neighbours. It's a perfect time to appreciate the peaceful beauty around us.

Facility Booking Reminder

Residents are welcome to reserve the East Lounge or Hospitality Nook for special occasions such as birthdays, anniversaries, family gatherings, or even if you simply wish to cook your own meal.

To ensure the space is available and to prevent double bookings, all reservations must be made through the Admin Office before using either area. This includes casual use, meal preparation, or hosting visitors.

Thank you for your cooperation and for helping us keep shared spaces running smoothly.

ACTIVITIES

Make sure to keep an eye on your Calendars! Lots of fun activities this month.
